It seems that we have brand new exciting news to announce almost every month these days, and this month is no exception.

If you take a look at the Harvey Buyers Guide in this issue—And you should never skip that page!—you'll notice that the first issue of BEETLE BAILEY arrives on newsstands this month. We spoke about it last time, but now here comes Mort Walker's laugh riot in all his glory and with all his weird and whacky friends. This is certainly America's favorite G.I. Believe me, G. I. Joe was never this funny—and probably never this real. Don't miss a single installment of BEETLE BAILEY. It's a series you'll want to read and re-read and make a permanent part of your collection.

This month will also feature the arrival of the first of Harvey's hilarious and mischievous Misses. (We'll tell you about two more of them next time.) LITTLE AUDREY makes her fantastic return in our August collection of titles, and she's someone you'll surely want to see.

You've enjoyed her on TV for years. She once had her own daily newspaper comic strip. And now, after too long an absence from comic books, here's LITTLE AUDREY again. Together with her pals, Melvin and Tiny, and in some of the wildest dream sequences you'll ever want to see, Audrey is back in a series of zany adventures that you won't want to miss. Yeah, she's a miss you won't want to miss!

We're also starting a series of super-sized comics this month that we call BIG BOOKS. FELIX, TOM & JERRY, and CASPER begin this bargain brigade of 48-page comic

books for only \$1.95! The BIG BOOKS will contain almost double the amount of stories of our \$1.25 comic books for only 70 cents more. You don't have to be a computer head to figure out what a great idea that is. Look for them and ask for them...that's more Harvey for less money. And you can't beat that!

By the way, we've received a lot of mail about our recent column paying tribute to Warren Kremer, the most famous of all Harvey artists (and one of the greatest of all comic artists!). We were so pleased to learn how many of you wanted to know about this superb artist—and also how many of you already did know about him and did recognize the extraordinary role he's played in comics history.

Well, just to let you know, we'll soon be telling you about some more of those unsung writers and artists who have made Harvey Comics the great comic book company it's been and continues to be. Look for them. I think you'll enjoy their stories.

And keep those letters and comments coming to us. We love hearing from you.

See you next time.

and we get letters...

Dear Harvey Comics,
I like Casper comic books, and I'm glad you put them out in stores. My dad bought me some ice cream and a Casper comic book when I didn't feel well, and even though I only have one Casper comic book, I still like it. And I hope I don't feel good seven more times so my dad will buy me more of your comic books. That's all.

Love, Isaac Ardoin
Norman, OK

Dear Isaac,
Nothing goes better with an ice cream cone than a comic, Isaac, just ask our expert ice cream eater, Baby Huey! Comic books are great was to cheer people up, but we all hope your dad gets you those seven ice cream cones and seven new comics for feeling good instead of bad!

From, the Harveyland Gang

Dear Casper,
My name is April Stanbury, and I'm 9 years old. I have been reading your comics a lot, and I have lots of your comics. I think you are a very cute ghost, and I like you. Can I have a picture of you?

From April Stanbury
Saskatoon, Canada

Dear April,
I'd very much like to give you a picture of me, April, but the only problem is that ghosts don't show up on film! I'll talk to Wendy and see if she can put a spell on me so people can take pictures of me (it worked once for my cartoons), but in the meantime, don't despair! You can still see me drawn in the pages of your favorite Harvey Comic every month!

Your friend, Casper

Dear Richie,
I am your biggest fan, and I love reading about you. I even have a real old comic book about you. I

have a question: What will you do with your money when you get married? Please put an answer in your next comic book.

Jared Saft, age 8
Woodbury, NY

Dear Jared,
When I get married, Jared, I'll keep on using my money to help make the world a better place! It always takes a lot of money to build Professor Keenbean's many inventions—even if they don't always come out quite right! I'm not planning to get married anytime soon, Jared, but when I do, I'll make sure all my fans are invited to the wedding!

Your friend, Richie Rich

Dear Harvey Comics,
I like your comics. My favorite is Richie Rich. I hope you keep writing comics. I have a dog, and her name is Penny. Dollar might like to meet her!

Your biggest fan, Makenna
Murphy, age 6
Vidalia, Georgia

Dear Makenna,
What a pretty name your dog has, Makenna, and with a name like Penny, I wouldn't be surprised if she was related to Dollar! Dollar came from a big family, so he's always meeting new cousins, and they are always different kinds of dogs! So keep on reading Richie Rich comic, Makenna, and maybe you'll get to see some of Dollar's relatives.

Your friend, Richie Rich

To Wendy and Spooky,
I like the books that you make since they are full of excitement and amazement. I just finished a comic book today, and it's very very good. I only have a brother and his name is Brian. He's four. I'm going to keep my books in good condition for my brother to read when he knows how to read. I've got a friend,

Alison, and she's starting a collection of Casper, Richie Rich and Wendy comic books. And when she's finished her books she's going to let me borrow them.

Diana Potts
Calgary, Canada

Dear Diana,
We think it's great that you're saving your comics books for your little brother to read, Diana, but why not start reading them to him right now? Reading comic books with your little brother is a great way to teach him how to read! And after your brother finishes reading all your comics, he can start his own collection! Then you, your brother and Alison can all share your Harvey comic books!

Your friends, Wendy and Spooky
